

PROVINGTOWN HEALTH PLAN
PHARMACY NETWORK AGREEMENT

This Pharmacy Network Agreement (the Agreement) is entered into between Provingtown Health Plan, Inc. (the Plan) and the Pharmacy named on the signature page, and is administered on the Plan's behalf by Proving Benefit Managers LLC (the PBM).

1. Term. This Agreement is effective January 1, 2026 and continues through December 31, 2026. It renews automatically for successive one-year terms unless either party gives written notice of non-renewal at least ninety (90) days before the end of the then-current term.
2. Network. The Pharmacy participates in the Provingtown Preferred Network. Claims are identified by BIN 999123, PCN PRVTEST and Group PROVE1. This Exhibit governs only pharmacies with PSAO chain code 605 or 630.
3. Pricing. Reimbursement for covered claims is set out in Exhibit B. All AWP references are to Medi-Span AWP as of the date of service.
4. MAC appeals. The Pharmacy may appeal a MAC price within fourteen (14) days of the date of adjudication by submitting the claim number, NDC, date of service and a copy of the wholesaler invoice through the PBM's provider portal at <https://appeals.proving.invalid>. The PBM shall respond within seven (7) business days. An adjustment applies retroactively to the date of the appealed claim.

EXHIBIT B REIMBURSEMENT SCHEDULE

Effective January 1, 2026. This Exhibit B supersedes Exhibit B dated January 1, 2025.

Provingtown Preferred Network, 1-34 day supply:

Brand drugs: AWP minus 17.0% plus a dispensing fee of \$1.50 per claim.

Generic drugs: the lesser of MAC or AWP minus 45.0%, plus a dispensing fee of \$2.00 per claim.

Provingtown Preferred Network, 35-90 day supply:

Brand drugs: AWP minus 18.0% plus a dispensing fee of \$1.00 per claim.

Generic drugs: the lesser of MAC or AWP minus 47.0%, plus a dispensing fee of \$1.00 per claim.

Generic Effective Rate. The PBM guarantees an aggregate Generic Effective Rate of AWP minus 84.0% measured across all participating pharmacies over each calendar year and reconciled by the Plan by March 31 of the following year. This guarantee is not a per-claim rate.

Network Performance Fee. A fee of 3.0% of ingredient cost is assessed each quarter on all claims where the Pharmacy's generic dispensing rate for the quarter is below 85%, and is collected by offset against the next remittance.

Payment. The Plan pays clean claims by EFT twice monthly and provides an electronic remittance advice (835). EFT and ERA enrollment changes are made on the PBM's provider portal. Questions on payment go to payments@proving.invalid.

Disputes. A remittance not disputed within sixty (60) days of the remittance date is deemed accepted.
